Mr. E. David Mann,

Woods Cross, Utah.

Dear Sir:-

I have your favor of the 16th inst. enquiring regarding the probability of there being an opening for you in the department of music in the Agricultural College of Utah next year. I shall be pleased to have you write me at once stating the line of work in which you have specialized, the extent of the training you have had in general education as well as in music, your experience in teaching music, if any, and any other information you may think will assist me in determining your fitness for one of the positions open in our school of music.

I may be in Salt Lake Saturday next, and if so, should be pleased to meet you at the Kenyon Hotel between 2 and 3 o'clock in the afternoon.

Yours truly,

President.
